CASAL GARCIA SANGRIA WHITE. ALEGRIA TO SHARE.

Created by Aveleda winemakers to be the best ready-to-serve white sangria on the market, Casal Garcia Sangria White can be enriched with a personal touch and plenty of ice. It is ideal for sharing, impressing friends and having a party.

VINIFICATION PROCESS. FROM BASKET TO BOTTLE.

Casal Garcia Sangria White is produced from top quality grapes. The base wine is fermented at low temperatures in order to put in evidence all the aromatic potential of the wine. The flavours are then highlighted using natural essences of fruits that characterize the authentic "Portuguese White Sangria".

TASTING NOTES. LIGHT AND YOUNG.

Casal Garcia Sangria White presents a bright colour and a clear aspect. It's a very aromatic drink, with citrus hints of orange, lemon and lime with a touch of tropical fruit. The taste is light, young and vibrant with an intense and fruit-driven after taste.

PERFECT COMBINATIONS

Given its fruity and refreshing profile, it can be enjoyed as an aperitif, for example on a cheese board, white meat, Italian pasta or sushi, or even on an afternoon with friends. It's perfect to serve over ice with a peel of lemon, a slice of peach and hint of mint.

SERVING SUGGESTIONS

This wine should be cooled to a temperature between 8º and 10ºC.
